

How to buy tickets via the Northern app

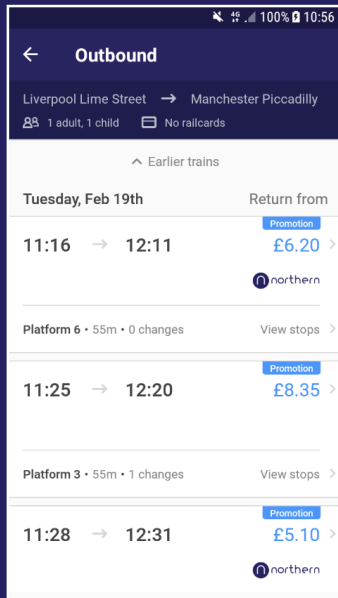

Choose the station you are leaving from and the station you are going to, including the date, time and return journey information. Click the adult, child, railcards and promotion field.

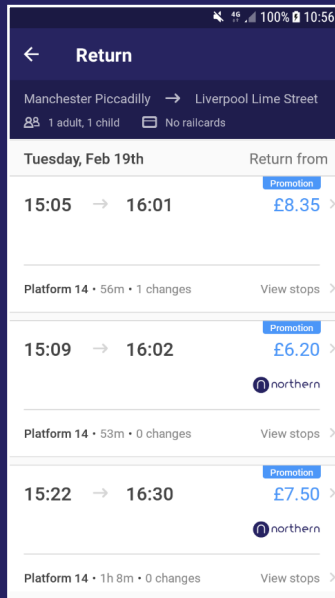

Select the number of adults and children aged between 5-15, enter the promotional code KIDS and search fares.

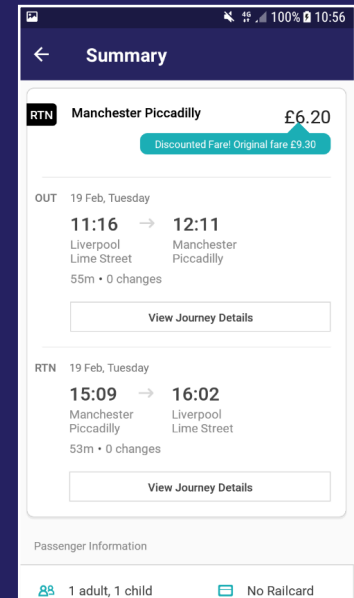

Select the outward ticket you wish to buy.

Select the return ticket you wish to buy.

Check your journey details. You will see the discount has been applied at the top of the screen. Select 'Buy tickets' and follow the payment process.
