

# How to buy tickets on mobile

The screenshot shows the Northern Railway mobile app interface. At the top, the URL is 'ts.northernrailway.co.uk'. Below the Northern logo, there are two input fields for the origin and destination: 'Liverpool Lime Street' and 'Manchester Piccadilly'. A 'Ticket type: Return' dropdown is visible. Below that, the 'Outbound' date and time are 'Tue 19 Feb, 11:00' and the 'Returning' date and time are 'Tue 19 Feb, 15:00'. A summary bar shows '1 adult, 1 child, no railcards, 1 promotion'. A large teal button at the bottom says 'Find trains'.

Choose the station you are leaving from and the station you are going to, including the date, time and return journey information. Click the adult, child, railcards and promotion field.

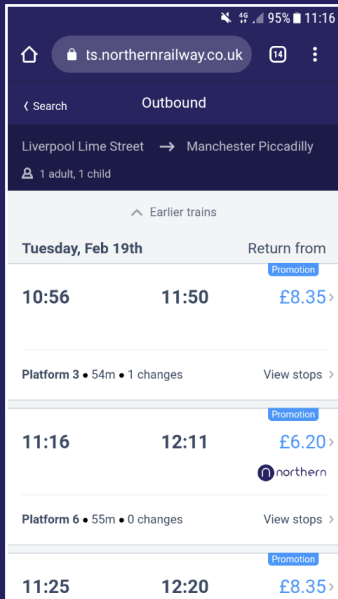

The screenshot shows the 'Passengers, railcards and promotions' screen. It has two rows for passenger selection: 'Adult (aged 16+)' with a quantity of 1, and 'Child (aged 5-15)' with a quantity of 1. Below this is a 'Railcards and Groupsave' section with a dropdown menu labeled 'Add a railcard'. The 'Promotions' section has a text input field containing 'KIDS'. At the bottom, there are two buttons: 'Cancel' and 'Confirm'.

Select the number of adults and children aged between 5-15, enter the promotional code KIDS and search fares.
